---

The B to B / Meet the Buyers sessions will take place on the afternoon of 16 November and all day on 17 November 2021, at the Palais du Grand Large in Saint-Malo and online.

### **Access to the FOWT 2021 B-to-B sessions**

Access to the BtoB / Meet the Buyers sessions is free of charge and included in your FOWT registration file when you choose a package including the BtoB sessions

The company/participant profile you fill in when registering for the event is visible to other participants on the platform.

You can modify it at any time

### **Logistical aspects :**

30 tables are planned for these B to B meetings will be dedicated to B to B in person

10 tables will allow a person present on site to connect with another person remotely

In addition, some meetings can take place entirely remotely, allowing for fluidity across borders

### **Meetings**

They will be held from 2pm to 6.40pm (end of last appointment) on 16 November and from 9.30am to 5.20pm (end of last appointment) on 17 November, in 20 minute slots

As soon as you have registered for a package including access to B2B, you can

---

- schedule your availability

- start receiving and sending meeting requests, face-to-face or remote, from/to other participants.

We invite you to respond (positively or negatively) as you go along to the meeting requests because the tool, while waiting for validation, blocks the slot and does not allow another participant to make a request. Notifications are sent by email (remember to check your spam).

Our advice is to respond sincerely to requests based on whether or not the appointment is of interest to you

Your agenda is accessible at all times on the platform. International buyers of pilot farms and future commercial wind farms participate in B-to-B meetings.

Take the opportunity to meet them!

**Technip Energies (TEN), Siemens Gamesa Renewable Energy – Iberdrola – EDF Renouvelables, Ocean Wind,**

**RWE Renewables, BAYWA R.e, and many other principals**
